

Panel 1: The Rooftop Patrol

Narration: Midnight in Enhanced Forest. The shadows are restless.

Dialogue: Another storm brewing over this city... and it's not the rain.

Sound effect: THUNDERCRACK!

Scene: Leo stands atop a rain-slicked neon skyscraper overlooking Enhanced Forest, cape fluttering under glowing holographic billboards.

Panel 2: Sudden Anomaly

Narration: A dormant power awakens deep within the underground conduits.

Dialogue: Grid overload in Sector 4! That's no natural surge!

Sound effect: BZZZZT-CRACKLE!

Scene: A blinding green seismic rift fractures the main cyber-grid intersection in Enhanced Forest. Civilians scatter.

Panel 3: Diving Into the Breach

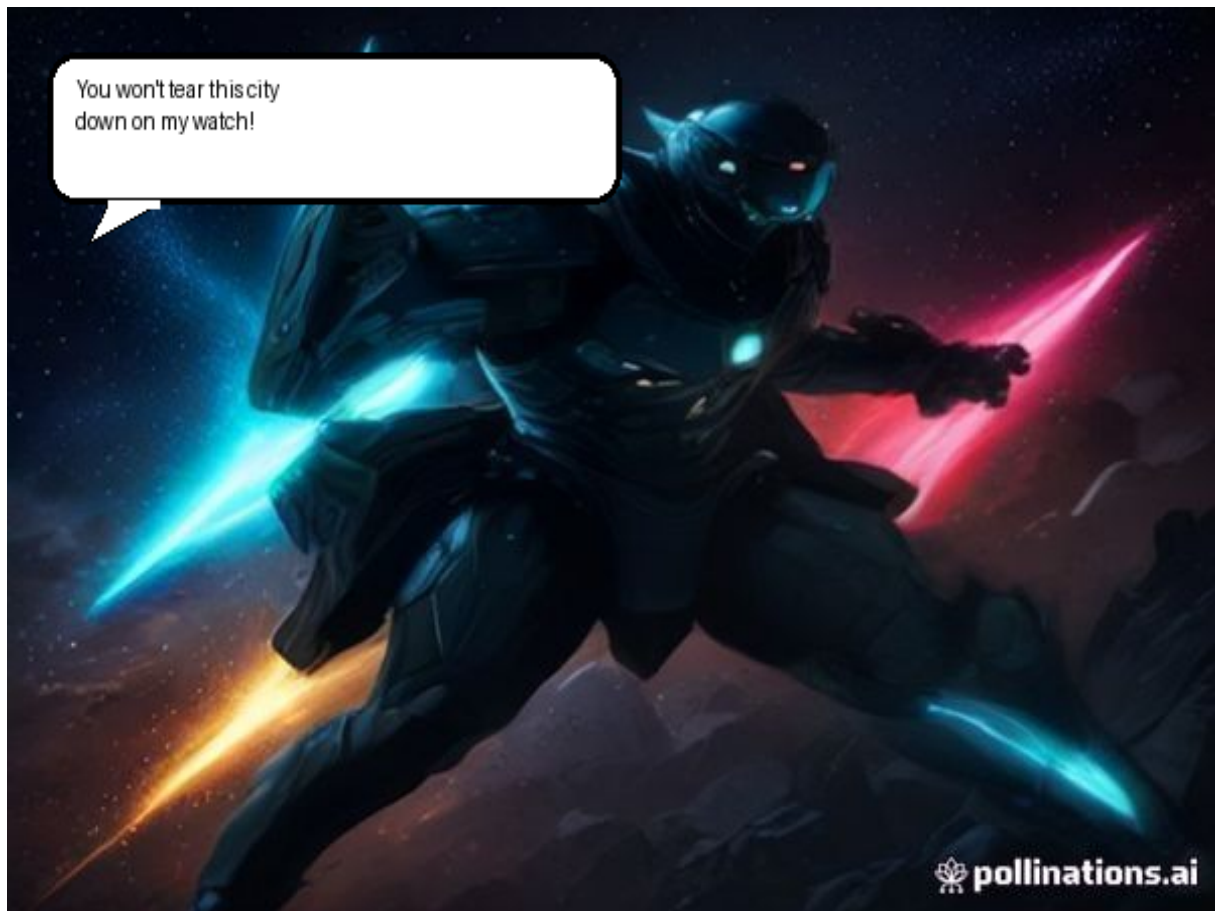

Narration: Zero hesitation. The mark of a true guardian.

Dialogue: Hold tight, everyone! I'm coming in hot!

Sound effect: SWWOOOOSH!

Scene: Leo dives headfirst from the rooftop, powering up photon energy gauntlets mid-air.

Panel 4: Clash with the Titan

Narration: Iron meets sheer will. The shockwave rattles the skyline.

Dialogue: You won't tear this city down on my watch!

Sound effect: KRA-BOOOOM!

Scene: A giant cybernetic titan emerges from the energy rift, swinging a plasma blade at Leo.

Panel 5: A New Threat Rises

Narration: The battle is won, but the true architect remains unseen. To be continued...

Dialogue: Just a puppet... Who's really pulling the strings?

Sound effect: VWHIRRR...

Scene: The titan collapses into digital smoke, but a mysterious cloaked silhouette watches from a high balcony.
