

PANEL 1 - Beginning

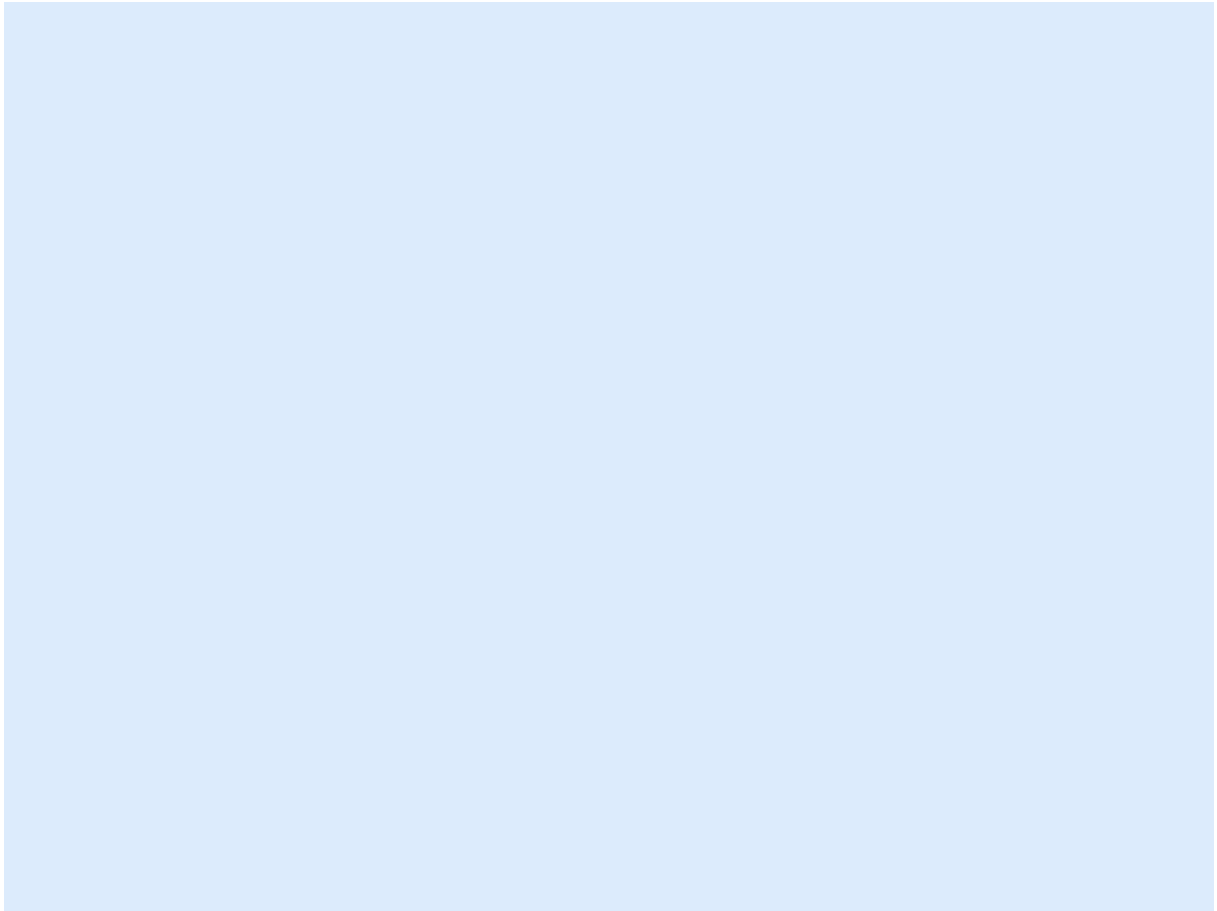

"This is where it begins."

Narration: A college student discovers a mysterious old watch inside an abandoned railway...

Scene: Sreekanth begins the story in An abandoned railway station surrounded by an old forest, with a hidden underground room: A college student discovers a mysterious old watch inside an abandoned railway station. Every time he turns the watch backward, he can see a few seconds into the past. At first, he uses it for fun, but soon he notices that someone has been secretly following him. The watch leads him to an old hidden room beneath the station, where he discovers a forgotten secret connected to his own family. He must solve the mystery before the watch stops forever.

PANEL 2 - Development

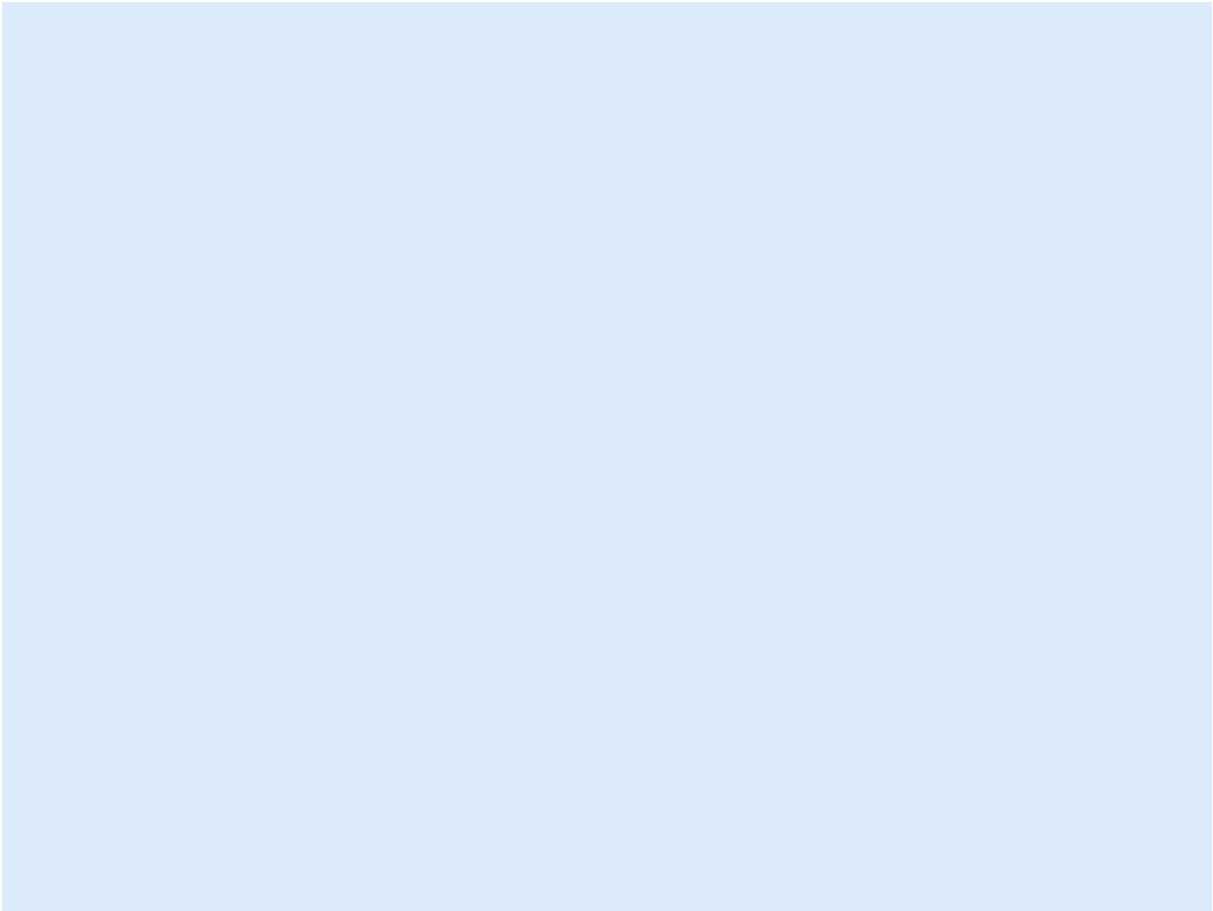

"I need to see this through."
